A Great Place to Work Creating a Healthy Organizational Climate By Paula Jorde Bloom, Ann Hentschel, Jill Bella

This updated and expanded edition of an NAEYC bestseller helps directors define more precisely how ten dimensions of a center shape the quality of work life for staff. It will help you look at your program in terms of collegiality, opportunities for professional growth, supervisor support, clarity, reward system, decision making, goal consensus, task orientation, physical setting, and innovation.
