ASQ·3 User's Guide

# ASQ – 3 Enterprise System

*Presenter:* **Christie McKinney, RN**

*Florida Core Competency – Content Area 6:*
*Observing, Documenting, Screening, and Assessing to Support Young Children and their Families*

**This training is required for ALL School Readiness Providers as we convert to this valuable online screening tool. Once you complete the training, you will be able to:**

- Create and manage child and program records
- Manage your English and Spanish ASQ data
- Get automated questionnaire selection, including correction for prematurity
- Eliminate scoring errors and improve referral rates with automated scoring
- Store questionnaire results and follow-up decisions in child records
- Easily keep track of when children need to be screened again
- Analyze results with individual child reports and overall program reports
- Quickly access activities parents can try at home to encourage child progress

**Child Care Providers may attend this training only once; maximum of 2 participants per site.**
