

## 2009-2010 School Year VPK PROVIDER LIST as of 12.2.09.

This list gives general information on each provider, including program hours, accreditation status, curriculum used, VPK readiness rates, and availability of before and after care. All providers on this list meet legislated requirements to be licensed or accredited to offer VPK and meet the legislated minimum standards for teacher qualifications and class size, meaning that **every VPK class has at least one teacher with a minimum of a Florida Child Care Professional Certificate** and that a VPK class may not have more than 18 children with 2 teachers. Some providers exceed this standard. Many hold Gold Seal accreditation.
