DAYS

SUMMER VPK 2011

Provider Name:

Class(es)

Summer VPK Program = 300 hrs

6 Hour program = 50 days

7.5 hour program = 40 days

Enter the number hours of your VPK program in the calendar for each day you are offering VPK (ex: enter "6" if your program is 6 hours a day). For non-VPK days place an "N" in the calendar box for those days.

Once you have completed entering the VPK program hours the number in the "Total Program Hours" box in the lower left corner should equal 300. If you have classes with different days and/or different hours complete a separate calendar for each classroom. Be sure your calendar matches the days you list on form VPK 11.

Note: Only VPK days will be reimbursed. Holidays are not reimbursed through the the VPK program.

Please note: Summer VPK program must end by August 22nd
