Provider Name:

Class(es)

- School Year Program = 540 hrs
- 3 Hour program = 180 days
- 4 hour program = 135 days
- 6 hour program = 90 days

Enter the number hours of your VPK program in the calendar for each day you are offering VPK (ex: enter "3" if your program is 3 hours a day). For non-VPK days place an "N" in the calendar box for those days. Once you have completed entering the VPK program hours the number in the "Total Program Hours" box in the lower left corner should equal 540. If you have classes with different days and/or different hours complete a separate calendar for each classroom (ex: a 3 hour program and a 6 hour program). Be sure your calendar matches the days you list on form VPK 11. Note: Only VPK days will be reimbursed. Holidays are not reimbursed through the the VPK program.

First and Last Day of Public School in yellow

Indicates Public School Holidays

Note: VPK may be offered on School Holidays

VPK cannot start before August 22
